

## Tax Amended

If you find errors or you left out information on your original return, file a Form 1040X to the IRS amended federal return. You can see an amended return if:

- Receive an additional refund
- Owe additional taxes as a result of the correction

You usually must file an amended return by the later of these dates:

- Within three years from the date you filed your original return
- Within two years from the date you paid the tax
